Results-driven CA aspirant currently serving as an Internal Audit Intern at HBL Microfinance Bank, with prior experience as an Accounts Officer and Accounts & Finance Intern at Haris & Co. Engineering Concern Pvt. Ltd. Known for a proactive, self-motivated approach, strong accounting and auditing fundamentals, and a solid grip on technology. Proficient in leveraging AI tools such as Google's Antigravity(Agentic IDE), Claude Code, Qwen, Gemini 3.1, and ChatGPT to streamline workflows, enhance accuracy, and improve operational efficiency, along with the ability to build automations, develop interactive websites, and generate high-quality visual content.

PROFESSIONAL EXPERIENCE

Internal Audit Intern | HBL Microfinance Bank

March 2026 to Present

- Conducted branch audits across Shahkot, Batapur, Kasur, Raiwind, and Sheikhpura Branches, ensuring compliance with Internal Policies, Operation Manual and SBP regulations.
- Supported Team Lead in identifying errors, irregularities, and potential fraud, and contributed to working papers and reporting.
- Reviewed financial records, legal documents, and property collateral files to assess accuracy, completeness, and risk exposure.
- Performed cash verification at branch counters in line with SBP guidelines, identifying discrepancies and control gaps.
- Assisted Team Lead in audit planning, including sample selection and execution during audit engagements.

Accounts Officer | Haris & Co Engineering Concern

August 2025 to Feb 2026

- Managed daily bookkeeping activities, including journal entries, ledger maintenance, and accurate classification of financial transactions in line with accounting standards.
- Maintaining accounting records using ERP systems for end-to-end transaction management
- Recording and processing sale orders, site material requests (SMR), outward gate passes, and sales invoices
- Preparing and posting BPV, CPV, JV, and BRV vouchers with precision and compliance
- Preparing monthly bank reconciliation statements to ensure financial consistency

Accounts Intern | Haris & Co Engineering Concern

June 2025 to Aug 2025

- Assisted in maintaining basic accounting records and updating financial data in ERP systems.
- Supported the preparation and posting of vouchers (BPV, CPV, JV, BRV) under supervision.
- Helped in processing sales documentation, including invoices, SMRs, and gate passes.
- Assisted in bank reconciliation activities and verification of supporting documents.
- Performed basic bookkeeping tasks, including data entry, filing, and document organization.
